SPAWAR Systems Center San Diego Awards Contract

SAN DIEGO — *Power Systems International, Inc., of Natural Bridge Station, Va., is being awarded a \$5,989,507 firm-fixed-price contract to provide high power, lightweight, transportable generator sets, power distribution units, associated cables, on-board repair parts, an illustrated parts breakdown list, and technical manuals for Space and Naval Warfare Systems Center San Diego, Airspace Systems Division, in support of operational requirements for the Marine Air Traffic Control and Landing System Program. This is a one-year contract with no options. Work will be performed at the contractor's site in Natural Bridge Station, Va., and is expected to be completed by July 22, 2005. Contract funds will not expire at the end of the current fiscal year. This contract is a sole source award for original equipment manufacturer-supplied parts required on an urgent basis. The Space and Naval Warfare Systems Center, San Diego is the contracting activity (N66001-04-C-0052).

**Power Systems International, Inc., is a small veteran-owned business.*
